

A 'Rabbit's Foot' Comedy Co.

Coming Soon Under Canvas

The above company, consisting of 40 negroes, will play in

Ardmore, September 24th

Under their large water-proof canvas, presenting "A Rabbit's Foot," a musical comedy consisting of two acts and an olio. This company was here last year and gave a very clever and funny performance, which will be remembered by all who saw it. Their tent being packed to "standing room only" with both white and colored, and from the laughter and applause it was hard to tell which enjoyed the performance the most. The company carries some very clever actors, introducing old-time negro melodies, songs and plantation dancing, which are all very amusing. Their entertainment is also clean, refined and up-to-date, and any lady, gentleman or child can attend without fear, as there is nothing said or done to mar the feelings of the most refined.

Lot on Corner Broadway, Near Business College,
Admission 35c. Children 25c.

There will be plenty of seats for all who may attend.

HEALDTON.

Special Correspondence.

Healdton, I. T., Sept. 17.—We still have clouds and rain. The cotton question is now getting to be serious. There has been no picking in this section and may not be for several days. Last season at this date the gin here had put up over fifty bales. The seed is very rank, while the cotton is only well fruited. Hot sunshine is what is needed and if we do not get it within the next few days, the cotton crop will be nil.

We have politics on all sides and at all times in this section.

Miner Hamilton and Mr. Dulaney from Cornish were here the past week. Mrs. J. W. Orme and little ones visited relatives in Ardmore this week.

Dr. Logan has a child quite sick. We hear of considerable sickness in the country.

George Oxensh from near Fort Worth, Tex., is here this week. He has rented a farm and will move here. A good many of the farmers are going to Southwest Texas and New Mexico.

The roads are full of moving wagons going all ways.

Chickasaw students can secure books, tuition and books for six months at a total cost of \$40 at Selvidge Business College.

MILO.

Ardmoreite Special.

Milo, I. T., Sept. 17.—The farmers have commenced gathering corn here and some are fortunate enough to have cotton sufficiently open to admit picking.

W. A. Tallafeno went to Ardmore today on business.

There is quite a lot of sickness in this community; mostly among the children.

Chickasaw students, read the ad of Selvidge Business College elsewhere in this paper.

"The Half Breed," a play dealing with territory affairs in 1893, has had quite a run in Los Angeles, Cal. Two characters in the play, among whom are "Huckle" Bell and Dr. Frazier O. Vialta, are well known citizens of the territory. Miss Blanche Hall in the title role is also a Cherokee Indian whose home is at Vialta. Her friends here are pleased to learn of her rapid advancement in her profession.—Tabletop Arrow.

Cured Hay Fever and Summer Cold. A. J. Nussbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar in the yellow package, and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." BECOMING A MOTHER

Is an ordeal which all women approach with indescribable fear, for nothing compares with the pain and horror of child-birth. The thought of the suffering and danger in store for her, robs the expectant mother of all pleasant anticipations of the coming event, and casts over her a shadow of gloom which cannot be shaken off. Thousands of women have found that the use of **Mother's Friend** during pregnancy robs confinement of all pain and danger, and insures safety to life of mother and child. This scientific liniment is a god-send to all women at the time of their most critical trial. Not only does **Mother's Friend** carry women safely through the perils of child-birth, but its use gently prepares the system for the coming event, prevents "morning sickness," and other discomforts of this period.
